Sir

On visiting the "Squad" of
men, referred to in my application I found
my disappointment that the Squad had been
reduced to me and been filled out to a minimum
and organized. Consequently I was thrown
out of account and compelled to abandon the
notion of getting them — So I immediately
adjusted my operations at other points.
I have worked diligently and faithfully and
with my imaginable reason to the Soldier.
I have found all my efforts to be fruitless.

I ought to say that the patriotism of the
men now remaining at home has become so
weak & torpid that nothing short of stern
measures will induce them to enter the army.
I think I am reduced to the necessity
of informing the Major Genl Comdr that I shall
make no further efforts to raise a Company
I will immediately report to my Command
at S. C. 3 for duty — at the same time I return
my grateful thanks to the Major Genl Comdr
for the favor extended to me.

I am Sir Very Respectfully
Your Obedt Servt

March 9th 1874

Captain

I have the honor to inform you that Maj. A. S. Dickinson has found it necessary to go to Eagle Pass on business of importance for the Gov^t and has assigned me temporarily to command ~~your post~~.

A writ of Habeas Corpus was issued out by the Political Prisoners, Pettib, Buelson, Zink, Steedman & Spelger before the Supreme Court of the City of Austin and has this day been served on me requiring the bodies of the Prisoners brought before the Court at Austin on the 14th.

Having seen the instructions of the Maj. General Com^d, to the effect that if these Prisoners saw proper to swear out a writ of Habeas Corpus, let the law take its course. Arrangements have been made and the Prisoners will be sent at once to Austin.

I deem it proper to give this information in order that if the Maj. Genl Com^d sees proper to have them prosecuted the evidence against them can be brought before the Court.

Sir: I have the honor to inform you that about 200 of the men now under my command on detached service in Cos. "C" and "E" 33rd Regiment Cavalry have been in the service now nearly one year and but a part only of them have received any pay. Those which have received pay have been paid only for two or three months and there is much dissatisfaction among the men on this account. I may say that they were of them are almost the end of rations.

I learn that there is no money in the pay department and that it is impossible to pay for them.

I call your attention to these facts so that if any can and ought to be done at the same time may be done.

Major A. G. Dickinson or

at San Antonio Texas

Sir, Some days since, I sent in charge
of a Guard to San Antonio three prisoners captured at this
place in attempting to cross the Rio Grande. Among the
prisoners was a man named Howard. I take occasion
to again impress upon you that in my opinion this man
Howard is a very bad man and an enemy to the country.
Howard had with him a son who swore that he was
under 18 years of age who was therefore released.
Young Howard started to San Antonio with the Guard
who had charge of his father, but since then he has
crossed the river and is now in Mexico. Old Howard
will tell you something a very pathetic and plausible
story about coming out here to buy some goods for his
family. I caution you not to be deceived by him.

Very respectfully

Rec'd at St. Louis July 24/63

Head Quarters, 2nd of the 1st Regt
Fort Sumner, July 4 1863

General,

I have the honor to acknowledge the receipt
of your letter of 28th Inst. As regards your direction
for the continuation of orders in reference to Capt
Cuyler's Company, I would respectfully state that
I had ordered that to conform to the wishes of the
Health of this place not publishing me, under previous
instructions, in keeping records there, than absolutely
necessary, at Fort Sumner, another as I think that
it should be more healthy.

The report of Surgeon Adams in reference to
the foray at Ft. Sumner has not been received, and as
soon as obtained here, will be forwarded. I would
however state, that for some days previous to the
foray there was no water for either man or horse at
the Fort, but wells were kept up constantly. -
If I am correctly informed, the foray would not
have met with the success, if the prompt aid of
Capt. Adams with his detachment had not been
declined by the party, who was in charge of the
property lost. - As far as we are concerned, with the
unlimited force at my disposal, considering the
want of the line but requires constant inspection,

I shall endeavor vigilantly to prevent any further
any quarter.

Should state that since I was placed in
command, information reached me of parties of
men, some of them estimated at from 50 to 600 at
times, on the Mexican side of the Rio Grande
opposite Edwinton not knowing their object, yet
believing it to be connected with an anticipated
mexican revolution. I ordered Capt Davis
with his Co. to form a camp about seven miles
north of Edwinton and Capt Hall with his company
to be stationed at this point and were stationed.
part of Capt Taylor's company, a Capt Lewis and
company of light artillery, Capt Taylor Co. E, and
Capt Smith Co. I. with which forces, if only
properly armed, I have no fear of anything from
marauders from Mexico, should it ever be their
intention to cross the river.

The detachment of Capt Hall's company at the
Pasa del Rio and Capt Smith's have been relieved
by the 1st and 2nd regts and they were raised here for six
months service.

I have informed by Mr. Cook that 500 of
the 700 band of arms from Mexico have been
seized by the Federal forces.

I have carefully perused the instructions
of the 1st and 2nd regts on the same subject

I have no legitimate responsibility on the discharge
of my duties, but as usual have no get around and
this will be ample time to send from old
order justifying my acts. I have concluded to
send this order. Should in the meantime,
however, any case, requiring prompt action, arise,
then I shall not hesitate to meet the emergency.

Yours
General James H. Sweet

General

I have the honor to enclose herewith the official report of Sergt. Adams, who was in command of the detachment at Point Isabel when the foray was made resulting in the capture of the Schooner and her cargo by the Boats from a Yankee Armed Vessel. His report is so explicit as to the quarter in which lies the blame for producing the results mortifying and annoying that I hardly deem it necessary to add that Sergt. Adams is perfectly reliable.

I have before brought to your notice the seizure of the Caroline Goodyear laden with arms for the Confederate Government and shipped from England I believe by Nelson Clements. Statements of all the facts will be made by P. Gallagher, Maj. Russell, Col. Latham and myself and letters to the French Consul at Vera Cruz written by A. Superville. These documents will be sent by an Agent of Mrs. Maloney's on or about the 12th per an English Man of War and if your letter (which I trust the liberty of suggestion of M^{rs}. Saliney could accompany these documents

It would no doubt strengthen the Case; we
are all satisfied they were seized upon the
presumption of being intended for the Suarez
Government.

I have ordered Capt. Rabbs Company to the
Bellemis to report to Maj. Benavides. I have
done this at the urgent request of Maj. B-
who says his force is insufficient to guard
the line he is ordered to protect.

At Point Isabel I fear there will be water
for neither men or animals. Yet Capt.
Brenybanes goes down to day with proper
tools to examine thoroughly, and should it be
found that it is practicable to remain there,
he will take his Company to that place
forthwith.

General Order No 81. Houston. of Genl. Magallon
says no furloughs to officers or men shall be
granted, as it makes no exceptions I refuse
furloughs based upon Surgeons Certificate pre-
suming that to be undoubtedly its meaning.

I have the honor to be Genl.

Captain

I have the honor to enclose you herewith a copy of an order from Genl Bee's Hd Qrs. directing Capt. J. H. Sweet, of Duff's Battalion, to rejoin his company and relieving him from duty under my directions. Since the order detaching Captain Sweet to assist me in my duties he has been purchasing Cotton for me to an amount involving several hundred thousand dollars principally upon the Brazos & Trinity rivers. He is now in that region of country, on the same date, and it will be some time before he will be able to complete the business he is upon and settle up my accounts satisfactorily. I know of no one who could replace him or in whom hands I would feel justified in placing so much pecuniary responsibility. And as this is a matter of such vital importance to me as a disbursing Officer I respectfully request that the order above referred to be for the present considered ~~void~~. I had also contemplated sending Capt. Sweet ~~abroad~~, in company with a practical Manufacturer, for the purpose of purchasing the machinery &c for the woolen factory in course of construction here, he having gathered all the necessary information for this object and being personally known at the locality from which the machinery will probably be purchased.

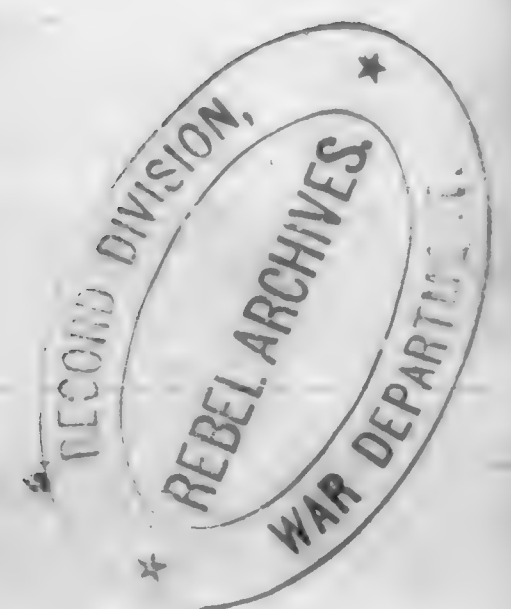

I have the honor also to request that Capt. H. V. D. Stricken of Taylor's Battalion be detailed on temporary duty to assist me in obtaining lumber and transportation in the Guman Settlements North and

 Officer has been absent from his Co.
 for the past four months and during
 that time has endeavored to secure
 to secure a comd. Office, which he
 obtained. None have exempted him from
 service, I do not believe that with
 the existing feeling in his Co. and the
 Regt. his return to the Comd. and of
 the former would be conducive to
 the interest of the service, I therefore
 respectfully recommend that his re-
 gimentation be accepted.

Dr Capt

Enclosed herewith you will please find
a leave of absence granted me by Gen Willoughby
for thirty days - for the purpose of reuniting my
family from San Antonio to Ellis Co, I have
been on the road eleven days & am now
rather tired. I have no idea how long
I may be detained as the Colorado is not
to be ferried & still rising, you can therefore
see that it will be impossible for me to
get back to Bonham within the time granted
me. If you will be kind enough to
give my leave extension of time for 30 days
more you will be enabled to arrange for the
care of my family during the war,
otherwise I will be forced to return at once
without them. Please do this for me
& enclose the same to me at San Antonio

There is one case to which I wish to call special attention in which it seems to me great injustice has been done the service & accommodation of an officer. On the 27th May last I granted Capt Rich. Caylor of Co. Duffs 33rd Texas Coy. a leave of absence for 30 days, he made application to get his guns and got an extension of 30 days more, and has since had an extension for 15 days more from same source, making 75 days, and is now detailed on Court Martial at San Antonio, while his company is here under the command of his Lieutenant. And he in the mean time has been a candidate for County Clerk in Bexar County, thus showing a disposition to avoid the service entirely. Under all these circumstances I respectfully wish that he be relieved from further attendance on the Court Martial

Respectfully forwarded

Capt. 1st Regt.

Company No 19

Approved, recommended
and respectfully forwarded
with the order of Genl Bee,
James H. Duff

The State of Texas

To Brig Gen. W. P. Bee commanding Sub.
Military Dist. of the Rio Grande.

Your petitioner Robert W. Williams respectfully represents that he is a native of Great Britain, and never became a citizen of the United States, nor of the Confederate States, though he has taken the oath of allegiance to the latter; that he is a resident of This county, in said State, which is an extreme frontier county and subject to incursions by Indians; that your petitioner owns in said county about twenty-five hundred head of cattle; that about the twentieth of May 1862, he joined Captain James Duffie's company of Partisan Rangers, now Partisan Rangers and employed one John Thompson, a subject of Great Britain, to take care of and manage the said cattle; that the time of the employment of the said Thompson will expire in December 1862, and he positively refuses to prolong the time; that since the enlistment of your petitioner two men have been killed in the neighborhood of his Rancho by the Indians and their incursions into that neighborhood are so frequent as to render it difficult, if not absolutely impossible to procure

any one to ^{take} care of and manage said
stock, after the said Thompson has
that, unless the said stock has the personal
attention of your petitioners, he fears they
will stay away, or be stolen by the thieves
that constantly infest a frontier country.

Therefore your petitioners pray to be relieved
from service in said company, and as
in duty bound your petitioners will ever pray.

Presented & sworn to before me

The name W. H. Williams has not been found on the rolls, on file in this office, of Company K or any 2d Texas Cavalry, C. S. A., and no record has been found of the capture or parole of a man of that name and regiment.

The records show that one W. Williams, private, Company K (Captain John T. Brackenridge), 2d (Duff's) Texas Cavalry, C. S. A., enlisted June 20, 1862. On the roll for May and June, 1863 (last on file), he was reported absent, "expressman, Indianola."

Other records show that one Williams, private, Company K, said regiment, was in April, 1864, absent sick in General Hospital at Clinton, and in May, 1864, absent sick at home, and in June, 1864, and August, 1864, absent sick in General Hospital at Columbus.

It is also shown that one William H. Williams, private, Company K, same regiment, was granted a certificate of disability and recommended for detail in one of the government departments. No further record found.
